

DCH-1226, ACCESS TO RECORDS REQUEST

Michigan Department of Health and Human Services

(Revised 11-21)

This records request form concerns records maintained by Medicaid, other medical assistance programs, state facilities, and any other component of MDHHS that is subject to the HIPAA Privacy Regulations.

Consider the following when requesting access to your records:

- You may ask to review and/or obtain information about yourself from records that the Michigan Department of Health and Human Services (MDHHS) maintains. The records MDHHS maintains are limited to services provided by MDHHS programs. If you are seeking medical records, you should ask your physician.
- The MDHHS may deny access to any information if given to MDHHS by someone other than a health care provider, under the promise of confidentiality.
- The MDHHS can deny or limit your access to information in certain limited circumstances. You may be asked to contact your direct care provider to access psychotherapy notes or other treatment information if your direct care provider created the original record.
- If you are denied access to your information, you will be told why. You may request a review of the denial.

Directions: Type or print all requested information with exception of signatures.
